

# Well Kneaded Massage Therapies

## "Pain Management Solutions"

*specializing in recovery for surgeries, injuries, and chronic conditions*

May 15, 2020

Hi Friends, I need your help!

My name is Shanese Mark, Licensed Massage Therapist and owner of Well Kneaded Massage Therapies with locations in Conyers and Decatur, Ga.

I am **looking for 12 -15 people** who currently or frequently experience pain in their bodies (neck, shoulder, knee, hip or back pain). This program will **begin June 15, 2020 and end August 15, 2020**- Please **share with others in need**.

**Why?** We are excited to be refocusing the practices to specialize in pain relief solutions and recovery, and I'm specifically developing some neck, shoulder and back pain treatments. I would like to fine tune this practice, collect statistics, and get feedback on your experience so that my office can deliver the best complement to your current treatment options possible.

If you are interested and able, I am offering a generous **discount on a package of three services in exchange for your participation and feedback**.

### Here's what you get:

- 1. A 60-minute Deep Tissue Massage with CBD. That's a full sixty minutes, not fifty. (reg. \$115)
- 2. A 50-minute Full Body Stretch Therapy Session. You will need to wear comfortable clothing, easy to move around in. (reg. \$80)
- 3. A 50-minute Foot Reflexology Session with Aromatherapy (reg. \$80)

This package is valued at \$275. I'll soon be offering it to the public at an introductory price of \$225. People who participate in this initial offer pay only **\$180**.

### Qualifications:

- Must suffer with persistent pain issues.
- Must be able to come to either office in Conyers or Decatur, Ga.

### What you need to do:

- Contact me at 404-593-6802 (call, email or message) to purchase your package.
- Schedule at least two of your three appointments within the first two weeks of enrolling.
- Show up for sessions, fill out some paperwork, enjoy your treatments.
- Let me follow up with you afterwards, offer feedback, ideas, and any other input! THAT'S IT!

Appointments will be at our offices, in Conyers and/or Decatur, Georgia. **If you are interested, able, and willing, please get in touch with me right away.**

Thanks and see you soon!
